

# Frog Senior Rubber Duration

A pilot event to be run at Old Warden on 14<sup>th</sup> May 2017, and subsequently on other occasions after final ratification of these rules.

## MODELS:

Built according to the kits and plans provided by “Frog” from 1953 to 1969, with local strengthening and modifications as provided for in the SAM 35 and SAM 1066 General Competition Rules. This also includes the kits currently manufactured by the Vintage Model Company. All 18” span, no scaling up or down. Plastic props max 7” diameter.

Class A): Redwing, Linnet, Widgeon

Class B): Raven, Tomtit.

Class 2 models will be given a 40% bonus added to their times.

## PROCEDURE:

At Old Warden a three hour period will be specified for this event, beginning not before noon. Three flights will be required, to a maximum of 45 seconds (unless conditions dictate otherwise.) An unlimited fly-off would then be used in the event of more than one flyer scoring three maxes.

## AWARDS:

Trophy for the overall winner. Certificates to Best in Class and Runner Up.

A fee of £3 will be charged to pay for the trophy. A competitor may enter both classes.

The decision of the contest director will be final in the event of any adjudication being necessary.
