

The First Ever *March Wynde Trophy*, 2017

As befits its name, this Area Postal event was affected by the inevitable March winds: on the first of the two available dates (Second Area) no flying took place in this event due to strong winds and rain, so all the action happened on Sunday 26th March (Third Area.) Just under a dozen had entered, but winds in the South of England reduced the number of active participants.

Award Winners:

1st overall.....Mike Sanderson (see above)...Senator 5m15s

1st in Non-Senator class: Peter Gibbons.....Scram 4m52s

Congratulations to Mike on achieving his first trophy of the year.
