

# **CELEBRATING THE 70<sup>TH</sup> YEAR OF THE ED BEE!!**

## **KK CHAMP/ED BEE RACING**

### **OLD WARDEN FESTIVAL OF FLIGHT**

**22/23<sup>rd</sup> SEPTEMBER 2018**

**Here is a must do and enter event for 2018. The celebration is the brainchild of SAM 35 Secretary Andrew Housden and is for all classes of models powered by original Mk1 and Mk11 Bee engines.**

**Note below the special event for all control line enthusiasts.**

- 1. Build a KK Champ to the original 20" span and outline.**
- 2. Power with an original Mk1 or Mk11 ED Bee**
- 3. Use flexible leadouts and 2" wheels**
- 4. Make up a set of 32' lightweight lines centre line of handle to centreline of model.**
- 5. Use any commercial propeller**
- 6. Fit a tank to give approximately 20 lap range.**
- 7. Finish your model to taste.**

#### **RACING RULES.**

- 1. Races will be two up for 50 laps.**
- 2. Two pit stops per race.**
- 3. Pitmen to wear helmets**
- 4. Pilots to use wrist straps.**
- 5. Two heats per team**
- 6. Fastest two teams into two up final of 50 laps.**
- 7. Whipping strictly forbidden.**
- 8. In the event of the model not completing two stops within the 50 laps timing continues until the model lands is refuelled and completes one further lap at which point the watch is stopped.**
