All – In Precision, 28/29/30 June 2019

Conditions: very difficult, long grass, heat, wind.

- 1) Martin Pike (Rubber)4 (total deviation from 35 second target, over three flights)
- 2) Chris Grant (Rubber)25
- 3) Ken Bates (Rubber)27
- 4) John Warman (Electric)28
- 5) Julio Isidro (Rubber)31
- 6) John Ashmole (Electric)44*

Also flew: Andrew Hewitt
Dave Rumball **

No power models were entered. No flights took place on the Sunday.

Congratulations to all who had a go.

* signifies missed flight, scored as 35 points.

This event will continue next year, as the grass would normally be cut before this event, and with three days to choose from, there *should* be good periods for flying!
