

SAM35 Retro - Fest 25th,26th, 27 June 2021 BMFA National Flying Centre Buckminster Sewstern Grantham Lincolnshire, NG33 5RW

Programme

All events and times below are approximate and subject to change due to weather. Book into reception on arrival. If condition allow (ie not too soggy) only use perimeter track to drive around the site. All radio events to use 2.4ghz radio equipment. **For full details and rules of events see the web site SAM35.org**

Friday

Radio

2.00 pm Miss 35 multi task - Scores can be put in over the weekend subject to availability of CD and Runway space.
CD Ian Lever

4.00 pm Sam35 Scale CD Ian Lever

Free Flight - Sport Flying

Control Line

Full use of Grass - Voetsak Racing and other sport flying (CD Dave Cowburn) and Hard circles - (CD - Tony Goodger) over the weekend.

Tethered Cars

The Dick Roberts aircar event for the new SAM trophy will be run over the Friday and Saturday and presented at the end of running on the Saturday afternoon, hopefully by Babs Roberts,

Part 1 of Redfin Trophy event for 2.5cc twinshaft. I will have a full set of Buckminster spec 1.5cc to 10cc cables available for this. Note that these are not FEMA spec cables, so if you have a fast car you want to run which does not fall within the limits for these cables (as set out in the attached table as a reminder) you will need to bring and use your own tested FEMA spec cable.

Saturday

Radio

10.30am - Vintage Power Duration - CD Bill Longley

!2.00 Noon- Power Precision - CD John Ashmole (Free Flight with radio retrieval)

3.00 pm Precision CD Wesley Denton
