NB (1) As you can see, I'm still having trouble with columns, due partly to the unhelpful predictive nature of this programme. Please don't write in with help, I've got a life....

\* NB2) More importantly, I made a mistake at prizegiving. I forgot the rule (added by me a couple of years ago) which said that you can make two entries, but only the better one would count for an award. In the event, I wrongly presented Mike with the second place certificate. I shall leave it to Mr. Rushby and Mr. Bates to attempt to wrest it away from him.

Results, Earl Stahl Trophy:

Concours	Nick Peppiatt	Magister
High Wing	Tony Johnson	Grasshopper
Low Wing	Nick Peppiatt	

Also flew: Trevor Tabor (thanks, Trevor!)

NB: Mr Peppiatt is now debarred from winning the Concours next year, due to the rule, to which he has assented, that nobody may win any single trophy more that three times in a row.
