

V20 Rules (Vintage, 20")

A duration contest for rubber powered Vintage models.
With acknowledgements to Andrew Longhurst and Tony Rushby.

Models: Rubber powered designs kitted or published pre 1951 whose original span was 20" or under (ie, no scaling up or down.) Models must be RoG capable, so undercarriage must be fitted or added.

Stick fuselages are permitted. Any quantity of rubber may be used. Prop must be 7 1/2" span or less, freewheeler or folder.

Contests: Max to be arranged on the day, but not exceeding 60 seconds. Three flights, followed by unlimited flyoff if necessary.

Awards: Variable, but minimum would be Certificates for top three.
